Please take into account that, if you decide not to make such data available to us, you may be unable to complete your user registration or may not be able to enjoy those services or functionalities.

In specific cases, a third party may have provided us with information about you by using a feature or service on the Platform, for example by sending you a gift card or shipping an order to your address. In these cases, we only process your data where relevant to this feature or service, as stated in this Privacy and Cookies Policy.

Depending on how you interact with our Platform, i.e., depending on the services, products or functionalities that you wish to enjoy, we will process your personal data for the following purposes:

| PURPOSE | + info |
|--|--|
| <p>1. To manage your registration as user of the Platform</p> | <p>If you decide to become a registered user of our Platform, we need to process your data to identify you as a user of the Platform and grant you access to its various functionalities, products and services available to you as a registered user. You may cancel your registered user account by contacting us through Customer Service.</p> |
| <p>2. For the development, performance and execution of the purchase or services contract that you executed with Us on the Platform</p> | <p>This purpose includes processing your data, mainly:</p> <ul style="list-style-type: none"> ▪ To contact you for updates or informative notices related to the contracted functionalities, products or services, including quality surveys and to be able to establish the degree of customer satisfaction with the provided service; ▪ Activate the mechanisms necessary to prevent and detect unauthorised uses of the Platform (for example, during the purchase and returns process as well as potential fraud being committed against you and/or against us. If we consider that the transaction may be fraudulent or we detect abnormal behaviour which indicates attempted fraudulent use of our features, products or services, this processing may result in consequences such as the blocking of the transaction or the deletion of your user account. ▪ To manage potential exchanges or returns after you have purchased and manage requests of availability information for articles, reservations of products through the Platform, depending on the availability of such options from time to time. ▪ For invoicing purposes and to make available to you the tickets and invoices of the purchases you have made through the Platform. ▪ To ensure that you are able to use other available functionalities or services, such as the purchase, receipt, management and use of the Gift Card or of the Gift Voucher. |
| <p>3. To meet requests or applications that you make</p> | <p>We only process the personal data that are strictly necessary to verify your identity, and to manage or resolve your request or application.</p> |

| | |
|---|--|
| <p>through the Customer Support channels</p> | <p>If you contact us via telephone, the call may be recorded for quality purposes and so that we can respond to your request.</p> |
| <p>4. For marketing purposes.</p> | <p>This purpose includes the processing of your data, mainly, for:</p> <ul style="list-style-type: none"> ▪ Personalise the services we offer you and enable us to give you recommendations based on your interactions with ZARA on the Platform and an analysis of your user profile (for example, based on your purchase and browsing history). ▪ If and when you subscribe to our Newsletter, we will process your personal data to manage your subscription, including to send customised information on our products or services through various means (such as e-mail or SMS). We may also make available to you this information through push notifications in case you have activated them in your mobile device. <ul style="list-style-type: none"> ▪ Accordingly, please take into account that this data processing implies analysis of your user or customer profile to establish your preferences and therefore which products and services are fit to your style when sending you information. For example, based on your purchases and browsing history (i.e., depending on the articles that you clicked), we will make you suggestions on products that we believe may interest you and, if you are a registered user, we will provide you with the "recover cart" functionality. ▪ Remember that you may unsubscribe from the Newsletter at any time without cost through the "Newsletter" section of the Platform, in addition to through the instructions that we provide you with in each notice. If you do not want to receive push notifications, you can deactivate this option in your mobile device. ▪ Show you ads on the Internet which you may see when visiting websites and apps, for example, on social media. The ads you see may be random, but on other occasions they may be ads related to your preferences or purchase and browsing history. <ul style="list-style-type: none"> ▪ If you use social media, we may provide the companies with which we collaborate certain information so that they can show you ZARA ads and, in general, offer you and users like you advertisements which take into account your profile on said social media sites. If you want information about the use of your data and how advertising works on social media, we recommend you review the privacy policies of the social media sites on which you have profiles. |

| | |
|--|--|
| | <ul style="list-style-type: none">▪ We also use your data to carry out measurement and segment analyses on the ads which we show users on some of our collaborators' platforms. To do this we collaborate with these third parties who offer us the necessary technology (for example, cookies, pixels, SDK) to use these services. Keep in mind that, although we do not provide identifying personal data to these collaborators, we do give them some form of identifier each time (for example, the advertising ID associated with the device, an identifier associated with a cookie, etc.) If you would like more information in this respect, please review our Cookies Policy. Likewise, you can reset your advertising ID or disable personalised ads on your device (if you have our App installed on an iOS device you can adjust your preferences in Settings/Privacy/Ads. If your device is Android, access Settings/Google/Ads).▪ Data enrichment: When we gather your personal data from a variety of sources, we may consolidate them under certain circumstances for the purpose of improving our understanding of your needs and preferences related to our products and services (including for the purposes of analyses, generating user profiles, marketing studies, quality surveys and improving our interactions with our customers). This refers, for example, to the way we may combine your information if you have a registered account and, using the same email linked to your account, you make a purchase as a guest, or to information which is automatically compiled (such as IP and MAC addresses or metadata) which we may link with the information you have provided us directly through your activity on the Platform or in any of our stores (for example, information related to your purchases, whether in brick and mortar stores or online, your preferences, etc.).▪ To perform promotional actions (for example, for the organization of competitions or to send the list of items stored to the e-mail you designate). On participating in any promotional action, you authorise us to process the personal data that you have shared with us depending on the promotional action and disclose them through different media such as social networks or the Platform itself. In each promotional action in which you participate you will have available the terms and conditions where we will be providing more detailed information about the processing of your personal data.▪ To disseminate in the Platform or through our channels in the social networks photographs or pictures that you shared publicly, provided that you expressly give us your consent for the purpose. |

| | |
|---|---|
| <p>5. Analysis of usability and quality to improve our services</p> | <p>If you access our Platform, we inform you that we will treat your browsing data for analytic and statistic purposes, i.e., to understand the manner in which users interact with our Platform and with the actions we implement on other websites and apps, so we can improve our services.</p> <p>In addition, we occasionally perform quality surveys and actions to know the degree of satisfaction of our customers and users and detect those areas in which we may improve.</p> |
| <p>In accordance with the relevant laws, regulations and national standards, we may collect and use your personal data without obtaining your consent in the following cases:</p> | <ul style="list-style-type: none"> (1) Directly related to national security and defence security; (2) Directly related to public safety, public health and major public interests; (3) Directly related to criminal investigation, prosecution, trial and execution of judgments; (4) For the maintenance of your or other people's life, property and other important legitimate rights and interests, but it is difficult to get your own consent; (5) The personal data collected is disclosed to the public by yourself; (6) The personal data is collected from lawful and publicly disclosed information, such as: legal news reports, government information disclosure and other channels; (7) Necessary to maintain the security and stability of the services provided, such as: detection, disposal of the failure of products or services; (8) Other circumstances stipulated in the laws and regulations. |

3. HOW WE ARE LEGALLY PERMITTED TO PROCESS YOUR DATA?

The legal terms on which we are permitted to process your personal data also depends on the purpose for which we process them, as explained in the following table:

| Purpose | Legal standing |
|---|--|
| <p>1. To manage your Platform user registration</p> | <p>We process your data because this is necessary on the terms regulating the use of the Platform. In other words, for you to be able to register as a user on the Platform, we need to process your personal data, since we would otherwise be unable to manage your registration.</p> |
| <p>2. Development, performance and making of the purchase or services contract</p> | <p>We process your data because their processing is necessary for us to make the purchase or services contract with you.</p> <p>Certain processing of data related to the purchase process is activated only because you request or authorise it, as is the case of</p> |

| | |
|-----------------------------------|---|
| | <p>the storage of payment (card) data for future purchases or the processing of data necessary to provide you with the Coming Soon / Back Soon functionalities (where these functionalities are available). In these cases, our processing of your data is supported by your own consent.</p> <p>We consider that we have a legitimate interest to carry out the necessary verifications to detect and prevent potential fraud or fraudulent uses of the Platform, for example when you make a purchase or return. We understand that the processing of these data is positive for all the parties involved: for you, as it allows us to put in place measures to protect you against attempted fraud perpetrated by third parties ; for Us, as it allows us to avoid unauthorised uses of the Platform; for all our customers and society, as it also protects their interest by ensuring that fraudulent activities are discouraged and detected when they do occur.</p> |
| <p>3. Customer Support</p> | <p>We consider that we have legitimate interest in answering the requests or queries raised by you through the existing different contact channels. We understand that the processing of these data is also beneficial to you to the extent that it enables us to assist you adequately and answer to the queries raised.</p> <p>When you get in touch with us, in particular, for the management of incidents related to your order or the product/service acquired through the Platform, the processing of your data is necessary to perform the purchase contract.</p> <p>When your request is related to the exercise of your rights on which we inform you below, or to claims on our products or services, we are legally permitted to process your data for compliance with our legal obligations.</p> |
| <p>4. Marketing</p> | <p>We are legally permitted to process your data for marketing purposes due to the consent that you give us, for example when you accept receiving customized information through multiple channels, when you accept receiving push notifications on your mobile device or configure your mobile device’s settings to allow personalised ads, or when accepting the legal terms and conditions to participate in a promotional action or to publish your pictures on the Platform or on our social networks' channels.</p> <p>To offer you personalised services or to show you customised information, whether on our Platform or those of third parties, as well as to engage in data enrichment, we consider that we have a legitimate interest to conduct a profiling with the information that we have about you (such as your browsing, preferences or purchase history) and the personal data that you have provided us, such as the age range or language, since we understand that the data processing of these data is also beneficial to you because it allows you to</p> |

| | |
|---|--|
| | improve your user experience and access the information in accordance with your preferences. |
| 5. Analysis of usability and quality | We consider that we have a legitimate interest in analysing the Platform usability and the user's satisfaction degree, since we understand that the processing of these data is also beneficial for you because the purpose is to improve the user experience and provide a higher quality service. |

4. HOW LONG WILL WE KEEP YOUR DATA AND WHERE?

The **time for which we will keep** your data will depend on the purposes for which we process them, as explained below:

| Purpose | Time for which the data are kept |
|---|---|
| 1. To manage your Platform user registration | We will process your data for the time during which you remain a registered user (meaning, until you decide to unsubscribe). |
| 2. Development, performance and execution of the purchase or services contract | We will process your data for the time necessary to manage the purchase of the products or services that you buy, including potential returns, complaints or claims related to the purchase of the product or service in question. Sometimes, we will only process the data until the time when you decide, as is the case of payment (card) data that you requested us to store for future purchases (where this feature is available). |
| 3. Customer Support | We will process your data for the time necessary to meet your request or application. |
| 4. Marketing | We will process your data until you unsubscribe or cancel your subscription to the newsletter. Likewise, we will show you personalised ads until you change your mobile or browser settings such that permission to do so is revoked. If you participate in promotional actions, we will keep the data during a six (6) months period from the end of the action. |
| 5. Analysis of usability and quality | We will process your data occasionally for the time during which we proceed to carry out a specific quality action or survey or until we anonymise your browsing data. |

Notwithstanding the fact that we will process your data for the time strictly necessary to achieve the purpose in question, we will subsequently keep them duly stored and protected for the time during which liability may arise for their processing, in compliance with legislation in force from time to time. Once each of the potential actions is time-barred we will proceed to delete the personal data.

Our Platform is located within People's Republic of China.

5. DO WE SHARE YOUR DATA WITH THIRD PARTIES?

1) Sharing

To achieve the purposes mentioned in this Privacy and Cookies Policy, we must give access to your personal data to **entities of the Inditex Group** and to **third parties** that provide us with support in the services that we offer you, i.e.:

- **financial** institutions (with these entities we may share identify data and economic and transaction data),
- **anti-fraud detection and prevention** entities (with these entities we share identify data, economic and transaction data, and connection, geolocation and/or browsing data),
- **technological and analytical** service providers (with these entities we may share identify data, economic and transaction data, connection, geolocation and/or browsing data, and commercial information),
- Providers and partners of services related to **logistic, transport and delivery** and/or their partner establishments (with these entities we may share identify data and economic and transaction data),
- providers of **customer support** related services (with these entities we may share identify data, economic and transaction data, and commercial information),
- Service providers and collaborators related to **marketing and publicity**, such as social media sites, advertising agencies or advertising partners (with these entities we may share identify data, connection, geolocation and/or browsing data, commercial information and information about your tastes and preferences).

[Please, to understand which personal data are included under these categories, consult section 2.]

For service efficiency purposes, some of these providers are located in territories outside the People's Republic of China that do not offer a level of data protection comparable to that of the People's Republic of China, as the European Union and the United States of America. In such cases, we inform you that we will transfer the above-mentioned data with **adequate safeguards and always keeping your data safe**.

Only in case you purchase products of Zara Home through the ZARA Platform, We will disclose the necessary Personal Data to the companies currently operating in Mainland China the sale of ZARA HOME, **ITX E-Commerce (Shanghai) Co., Ltd.** (registered address: Room 1, 29F, Block 1, No. 399 Kaixuan Road, Changning District, Shanghai), **ZARA Home Commercial and Trading (Shanghai) Co., Ltd.** (registered address: Unit 202C, No.21, Lane 596 Middle Yan'an Road, Jing'an District,

Shanghai) and **ZARA HOME ESPAÑA, S.A.** (Avda. de la Diputación, Edificio Inditex, 15143, Arteixo (A Coruña), Spain) for the development, performance and execution of the purchase. The email address of the Data Protection Officer of these companies currently operating in Mainland China the sale of ZARA HOME is dataprotection@zarahome.com. The legal basis for this disclosure of data is the execution of the purchase agreement as explained in section 3 of this Privacy Policy. The period established for the conservation of the data is also explained in section 4 of this Privacy Policy and the information about the disclosure of your data and how to exercise your personal data is detailed in this section 5 and 6 respectively.

2) Transfer of control

We will not transfer the control of your personal data to any company, organization or individual, except in the following cases:

(1) Obtaining your explicit consent in advance;

(2) In accordance with the laws and regulations or mandatory administrative or judicial requirements;

(3) In the case of asset transfer, acquisitions, mergers, reorganization or liquidation, if the transfer of personal data is involved, we will inform you of the situation and require new companies and organizations holding your personal data to continue to be bound by this policy. If the purpose of the collection and use of your personal data is changed, we will require the new company and organization to regain your explicit consent.

3) Public disclose

In principle we will not disclose your personal data publicly. In the event of public disclosure, we will inform you of the purpose and type of the disclosure, and the sensitive information that may be involved, with your explicit consent.

4) In accordance with the relevant laws, regulations and national standards, we may share, transfer or publicly disclose your personal data without obtaining your consent in the following cases:

(1) Directly related to national security and defence security;

(2) Directly related to public safety, public health and major public interests;

(3) Directly related to criminal investigation, prosecution, trial and execution of judgments;

(4) For the maintenance of your or other people's life, property and other important legitimate rights and interests, but it is difficult to get your own consent;

(5) The personal data collected is disclosed to the public by yourself;

(6) The personal data is collected from lawful and publicly disclosed information, such as: legal news reports, government information disclosure and other channels.

6. WHAT YOUR RIGHTS ARE WHEN MAKING YOUR DATA AVAILABLE TO US

We undertake to keep your personal data confidential and to ensure that you may **exercise your rights**. Bearing that in mind, we Joint Controllers have agreed that you may exercise your rights **free of charge** by

writing us an e-mail to a **single e-mail address** (dataprotection@zara.com), simply informing us of the reason for your request and the right that you wish to exercise. If we consider this necessary to be able to identify you, we may request you to provide a copy of a document evidencing your identity. In particular, notwithstanding the purpose or legal basis we use to process your data, you have the following rights:

- To request **access** to your personal data that we hold. We remind you that where you are a Platform registered user you may also consult this information in the relevant section of your online account.
- To request that we **rectify** the personal data that we hold. Please bear in mind that if you are a registered user on the Platform, you may also access the relevant personal data section of your online account to change or update your personal data. In any case, please take into account that, on actively making your personal data available to us through any procedure, you guarantee that they are **true and accurate** and you undertake to notify to us any change or modification of your data. You will be liable for any loss or damage caused to the Platform or to the person responsible for the Platform or to any third party by reporting erroneous, inaccurate or incomplete information in the registration forms. Please remember that, as a general rule, you must provide us only with your own data, not with those of third parties, other than to the extent otherwise permitted in this Privacy and Cookies Policy.
- To request that we **erase** your personal data to the extent that they are no longer necessary for the purpose for which we need to keep processing them, as we have explained above, or when we are no longer legally permitted to process them.
- To request that we cancel your account, as a consequence of which, we will cease the offering of the goods or services to you and delete or anonymize your personal data according to applicable laws and regulations.

If you have given us your **consent** to process your data for any purpose, you **also have the right to withdraw such consent at any time**. Some of the circumstances in which you may withdraw your consent are detailed in section 2 where we explain for which purposes we process your data. For example, should you not wish us to send information to third parties to show you ads, you can change your preferences on your mobile device by resetting your advertising ID or disabling personalised ads on your device. If you have our App installed on an iOS device you can adjust your preferences in Settings/Privacy/Ads. If your device is Android, access Settings/Google/Ads. If you are visiting the website, you can change the cookie settings in your browser.

In addition, where the processing of your data is based on our **legitimate interest**, you will also have the right to **object** to the processing of your data.

7. HOW WE PROTECT YOUR PERSONAL DATA?

We are committed to protecting the security of your personal data. We use a variety of security technologies and procedures to help protect your personal data from unauthorized access, use or disclosure. For example, we store the personal data you provide on computer systems that have limited access and are in controlled facilities. When we transmit highly confidential data (such as card number or password) over the Internet, we protect it through the use of encryption.

In the event of a personal information security incident, we will promptly inform you, as required by laws and regulations, of the basic situation and possible impacts of the security incident, the measures that we have taken or will take, the suggestions you may be able to prevent and mitigate the risks, and the remedies

for your actions. We will timely inform you of the event through email, SMS and other channels. If it is difficult to inform the personal information subject individually, we will take a reasonable and effective way to publish the announcement. At the same time, we will take the initiative to report the disposal of information security incidents according to the requirements of local authorities.

Please take good care of your login account and password. When you use our service, we will identify you through your login account and password. Once you have disclosed the foregoing information, you may suffer loss and may have legal consequences that are unfavourable to you. If you find that your login account and/or password may or have been compromised, please contact us immediately so that we can take appropriate measures to avoid or reduce the related loss.

We have established a public user management mechanism, including the tracking procedure. If you have any questions, opinions or suggestions on this Privacy Policy, you may contact us through the postal addresses listed in the Article 1 of this Privacy Policy. We also set up a full-time personal information protection department (or personal information protection officer) and you may contact by emailing to dataprotection@zara.com. For security purpose, we may require you to submit written application or use other methods to prove your identity. In general, after the validation of your identity, we will reply to your request within 15 days or within the time limit stipulated in the laws and regulations.

If you are not satisfied with our reply, especially our processing of your data infringes your legitimate interest, you may complain or report to relevant regulatory authorities, or bring a lawsuit before the competent court.

In principle, we won't charge you for your reasonable request. However, we will charge a certain amount of cost for repeated requests that exceed a reasonable limit. We may reject those requests that are duplicative, require excessive technical means (for example, developing new systems or fundamentally changing current practices), pose risks to the legitimate rights and interests of others, or are very unrealistic.

Notwithstanding the above agreement, we may not be able to respond your request in the following cases in accordance with the relevant laws, regulations and national standards:

- (1) Directly related to national security and defence security;
- (2) Directly related to public safety, public health and major public interests;
- (3) Directly related to criminal investigation, prosecution, trial and enforcement of sentences;
- (4) There is sufficient evidence that you may maliciously abuse your rights;
- (5) Responding to your request will cause serious damage to the lawful rights and interests of other individuals and organizations;
- (6) Involving business secrets.

8. WHAT HAPPENS WHEN YOU PROVIDE US WITH DATA OF THIRD PARTIES OR IF A THIRD PARTY HAS PROVIDED US WITH YOUR DATA?

We offer functionalities or services that require us to process the personal data of a third party that you, as a user or as a customer, must provide us with, such as in the case of activation and sending of the Gift

Card or the management of the application for the Gift Voucher (where these features are available), or when you authorise a third party to collect an order in our stores or partner establishments. If you provide us with personal data of third parties or if it is necessary that we request them for a third party to collect an order in your name, you confirm that you informed them of the purposes and of the manner in which we need to process their personal data, and that you have obtained their relevant express consent.

If a third party has provided us with your data or you have provided them yourself as a result of a feature or service requested by one of our users, we will use them to manage the feature or service in question in each case, within the limits of the purposes listed in this Privacy and Cookies Policy, a link to which is always included in our communications.

9. HOW WE PROCESS CHILDREN'S PERSONAL DATA

Our products, websites and services are mainly for adults. A child may not create his or her own user account without the consent of the parent or guardian.

In cases where a child's personal data is collected with the consent of the parent or guardian, we will only use or disclose this information in a case where the law allows, the explicit consent of the parents or guardians has been obtained, or it is necessary to protect the children.

Although the laws in different countries or regions have different definitions for children, we treat anyone under the age of 14 as a child. If we find ourselves collecting the child's personal data without prior consent of the parent or guardian, we will try to delete the relevant data as soon as possible.

10. CHANGES TO THE PRIVACY AND COOKIES POLICY

We may amend the information contained in this Privacy and Cookies Policy when we consider this appropriate. Should we do so, we will notify you by various procedures through the Platform (for example, through a banner, a pop-up or a push notification), or we may even send you a notice to your e-mail address when the change in question is relevant to your privacy, for you to be able to review the changes, assess them and, as the case may be, object or unsubscribe from any service or functionality. In any case, we suggest you to review this Privacy and Cookies Policy from time to time in case minor changes are made or we make any interactive improvement, taking the opportunity that you will always find it as a permanent point of information on our Website and our App.

11. INFORMATION ON COOKIES

We use cookies and similar devices to facilitate your browsing in the Platform, understand how you interact with us and, in certain cases, to be able to show you advertisements in accordance with your browsing habits. Please read our Information about Cookies to understand with greater detail the cookies and similar devices that we use, their purpose and other information of interest.

Information about Cookies

What is a Cookie?

A Cookie is a small text file that a website stores on your PC, telephone or any other device, with information about your navigation on that website. Cookies are necessary to facilitate browsing and to make it more user-friendly, and they do not damage your computer.

While this Policy uses the general term "Cookies", as they are the main method for storing information used by this website, the browser's "Local Storage" space is also used for the same purposes as the Cookies. All the information included in this section is also applicable to this "Local Storage".

What are Cookies used for on this website?

Cookies are an essential part of how our website works. The main purpose of our Cookies is to improve your browsing experience. For example, they are used to remember your preferences (language, market, etc.) while browsing and on future visits.

The information collected by the Cookies also enables us to improve the site by estimating numbers and patterns of use, the suitability of the website to the individual interests of the users, quicker searches, etc. On occasion, if we have obtained your informed consent in advance, we may use Cookies, tags or other similar devices to obtain information that enables us to show you, either from our own website or from third-party websites or any other means, advertising based on the analysis of your browsing habits.

What are Cookies NOT used for on this website?

We do not store sensitive personal information, such as your address, your password, your credit or debit card data, etc. in the Cookies we use.

Who uses the information stored in Cookies?

The information stored in the Cookies from our website is used exclusively by us, except for those identified below as "third-party cookies", which are used and managed by external entities to provide services requested by us to improve our services and the experience of the user when browsing our website. The main services for which these "third-party cookies" are used are to obtain access statistics and to guarantee the payment transactions that are carried out.

How can I avoid using Cookies on this website?

If you prefer to avoid the use of Cookies on this page, taking into account the above-described limitations, you must first disable the use of Cookies in your browser and then delete the Cookies saved in your browser associated with this website.

You may use this option for preventing the use of Cookies at any time.

How do I disable and prevent the use of Cookies?

You may restrict, block or delete the Cookies from this website at any time by changing the configuration of your browser following the steps indicated below. While the settings are different in each browser, Cookies are normally configured in the "Preferences" or "Tools" menu. For further details on configuring Cookies in your browser, see the "Help" menu in the browser itself.

Which particular Cookies does this website use and for what purpose?

The chart below shows the Cookies, tags and other similar devices used by this website, together with information on the purpose, duration and management (proprietary and by third parties) of each one of them.
